How to Edit:

These schedule tables are fully editable.

Font used (free to download for personal use): KG Primary Penmanship.

Highlight row or column and right click to add more rows and columns.

To change text highlight and type over it.

To insert times: click in the box and type.

To enter names of students, teachers, and paras: highlight and type over text.

To color code: Highlight column and click "table design" → and click the paint can to select the color.

Below are the colors I suggest to use when color coding your classroom with Astrobrights paper.

To use these colors, select the paint can, "more colors" and then the drop tool to select a color to add to your "more colors"
